**J I Case  
 Needs a Few New Dealers**

We are looking for enterprising business  
 men who understand agricultural equip-  
 ment retailing. We're the J I Case  
 Company. Founded in 1842, Case now  
 has over 3,000 dealers world-wide and  
 an unsurpassed reputation for product  
 quality, reliability and current growth.

If you think that the farm equipment  
 business requires involvement with many  
 different product lines, you'll find Case an  
 interesting exception. As a Case Tractor  
 Specialist you concentrate on one major  
 product line agricultural tractors and  
 related tillage tools, because Case builds  
 nothing but tractors for the farm market.

Case Dealers sell twelve basic tractors  
 43 to 300 horsepower. Five models are  
 under 90 horsepower, four are the exciting  
 new 90 series 108 to 180 horsepower  
 and our three big four wheel drive tractors  
 lead the booming 4WD market.

High potential marketing areas are avail-  
 able now. Profitable Case light construction  
 and outdoor power equipment contracts  
 may also be available. As a Case Tractor  
 Specialist you would benefit from liberal  
 financing policies, attractive consumer  
 terms and time-proven Case Rental Systems.

Case product and policy advantages,  
 when combined with your own aggressive  
 sales and management abilities, will afford  
 you the opportunity to realize an excellent  
 return on your investment.
