# Kraiburg Happy MooMats Keep Cows Happy, Resting...and Profitable!

The installation of our mats in your free stall or stanchion barn doesn't just save you time, which is money, it helps your herd give more milk, which means added profit! And more! Just look at the following:

**Elastic comfort surface.**  
Our advanced rubber chemistry and design groups have developed a surface and a rubber understructure that provides a pleasant lying surface and results in noticeably increased milk yield. Testing has shown that increased milk yield results from increased comfort in lying and standing time. Details available on written request.

**Sanitary non-porous texture.**  
Resists barnyard acids, trapping of bacteria and disease. Reduces barn odors.

**"Sure-grip" textured surface.**  
Specially developed tread surface gives solid footing, protection against udder injuries, abrasions and sore hocks.

**Excellent heat loss resistance.**  
Keeps cows' body heat from dissipating. Thermal insulation action rejects cold and dampness from concrete underflooring and minimizes mastitis.

**Saves bedding materials.**  
Reduces yearly bedding costs by up to \$7,000.00 per 100 cows.

No bulging, edge or hair cracks. Superior compounding and proper 3/4" thickness provide insurance against wear, aging and loss of service.

**10 Year Warranty Program.**  
Because Kraiburg products are carefully manufactured and have been thoroughly tested, we back every cow mat sold with a Ten Year Warranty.

Available in 10 sizes  
**Happy moomat**
