

AMERICA'S A GREAT LAND...

...AND...

FARMING'S A GREAT WAY OF LIFE.

A FARMER'S FAITH

I believe in farming as a way to live and make a living.
 I believe in the dignity of my work. I want no man's patronage, preaching or pity.
 I believe in my soil. It will reward me in proportion to the thought, labor and love I give it.
 I believe in myself. My success depends on me more than weather, luck or laws.
 I believe in my neighbors. My community, like my soil, returns to me as I give to it.
 I believe in cooperation, in thinking for myself and acting with my fellows.
 I believe that only a united agriculture can insure justice and prevent inequality.
 I believe in education. The more I know the greater my ability to seize opportunities and to be happy.

I insist that my children be enabled to learn to be useful, intelligent men and women.
 I believe in conservation. I will leave a better farm than I took.
 I believe that living is the most important job in the world and I mean to plan my work so that my family and myself will have the time and means to enjoy life.
 I face the years ahead with confidence, hope and cheer.
 I believe in myself, my fellow men and a Supreme Being.
 I believe in farming.
