BOX 1197, DILLERVILLE ROAD  
LANCASTER, PA

# NIEMEYER

## Power Harrows FIRST IN THE FIELD

The Niemyer line of quality Power Harrows outperforms the rest for one-trip ready, perfect seedbed preparation. Single operation tillage reduces soil compaction, retains moisture in the seed zone... you harvest the savings in time and fuel. The Power Harrow can also be used for chemical incorporation, clod busting, weed control and leveling. Five models available for flexibility in dealing with adverse soil conditions.

See for yourself... A KMN representative will be glad to arrange a demonstration. Call, or write today to:
