

A pig can soak up amino acids like a sponge...and waste them.

Only Farmix proportions amino acids for maximum availability.

Only new Farmix[®] is formulated to provide the 10 essential amino acids in the available form at levels and proportions the pig needs for fast, efficient daily gains. This is far different from other concentrates which merely supply crude protein levels or a limited number of amino acid levels. Come in. Ask us how you can adapt Farmix to pigs of all ages and sizes with these Master Mix products:

Farmix Starter Pac for pigs from 18 to 25 lbs. contains essential vitamins and minerals for rapid gains, plus milk and sugar products for added palatability.

Swine Breeder Pac fortifies Farmix rations with vitamins and minerals in the correct ratios and amount important to fast gains in sows, gilts, boars.
