

**The White 2-85
and 2-105...85
and 105 hp
performance
that's hard
to outgrow.**

Today, you probably still find it difficult to be without that 85 or 100 hp tractor. That's why we still offer you dependability in tractors of this size...the White® 2-85 and 2-105 Field Boss® Tractors.

The respective 85 and 105 hp 2-85 and 2-105 are among the heaviest candidates in their class with the weight coming from built in components such as the 3x6 Over/Under Transmission. Closed center hydraulics, Cat. II 3-point hitch, and independent dual-speed 540/1000 rpm pto also add up to standard features and value.

We've not forgotten the tractors you rely on most. And our 2-85 and 2-105 Field Bosses won't let you down. Stop by and see for yourself.

With 18 forward speeds in three shift-on-the-go power ranges, hydrostatic power steering plus optional power front axle, the 2-85 and 2-105 give you flexibility equal to the biggest 2-wheel drive tractors.
