Rutt believes in being involved. He is a county Holstein director, a member of the Lancaster County Land Use Advisory Board, a member of the Extension board, and a director of the Solanco Fair. About his involvement in so many organizations he said, "It's the only way you have a say."

Much of the success of Edgefield Farms Ken attributes to his parents. But the visitor knows without a doubt that Ken and Connie Rutt have taken whatever help his parents gave him and built upon it with a strong management program. He says, "Our goal here is to manage what we have better."
