

You've got a lot to gain from a date with Maxine our dairy computer.

Maxine is the computer of Wayne® Feeds production-boosting Maximizer™ Program for dairy cows. And she's quite a gal. She balances your dairy feed requirements with the available roughage to give you maximum milk production. Your cows get the right rations no matter what their stage of production. And Maxine helps you keep costs in line because you pay only for what you need, when you need it.

Isn't it time you make a date with Maxine? Just stop by today.
