**The  
Tractor  
Specialist  
sells more  
"up-time"**

When the farmer is ready, his tractor had better be. That's one reason a Case dealer franchise makes extra good sense

As a Case dealer, you're the Tractor Specialist. You sell and service the best in farm tractors. And you are backed by an industry first: Assured Availability. It means that, during warranty, if a tractor bought from you isn't ready to go you can offer your customer free use of a replacement. And Case will back you up. Proof that when a Case dealer needs help, we do something about it.

You could be planning a bright future as your area's Tractor Specialist. You could also consider our light construction equipment line. Write or call for full information on the Case dealer franchise.
