4-H

Faye Mehls, left, and Alice Rose took time out from their hectic schedule during their exchange visit to Lancaster County. They both are from Eau Claire County, Wisconsin and were visiting the Elvin Brenneman family, R2 Mount Joy.

Corinne Hart, 17, from Strum in Eau Clair County, Wisconsin lives on a 450 acre dairy farm with 45 Holsteins milking. But she had never helped with the milking. Here on the George Rohrer farm Lime Valley Road, she tried her hand at milking Guernseys. Corinne said the hills and winding roads were strange to her. She had heard of Amish before, but Mennonites were new to her.
