

# INTRODUCING RUMA PASS

The complete dairy feed that  
cuts protein costs while maintaining  
your milk production.

If you think high milk production  
requires high protein, think again.

New Master Mix Ruma Pass for  
corn and sorghum silage feeding  
programs lets you feed less protein  
without a loss in milk production. So  
you save on protein while your cows  
continue producing at their present  
level.

Ruma Pass contains by-pass  
proteins which are not easily digested  
in the rumen, but are readily digested  
in the small intestine. The net result  
is more usable protein with less  
waste.

And you pocket the savings.  
Isn't it time you had a protein  
break?
