Hisex White wins more contests around the world than any other layer! The secret is consistency — more eggs on less feed, more profit over feed cost flock after flock, under all sorts of commercial conditions! No wonder so many more egg producers are scoring with our white bird Hisex Brown, so easy to grow and handle, has everything, too — high peak, big hen-housed production, penny-pinching feed conversion. You have to look to be sure it's brown! So whichever league you're in, get with a winner! Talk it over with your Hisex Representative Soon
