"STAY OUT OF THE HOSPITAL" \$695, hardback, by Dr N W Boyd of Loganville, Penn 17342 Learn of treatment methods that eliminate hospital surgery for most rectal complaints, ruptures and prostate problems and how the establishment has treated a doctor who has kept 7,000 people out of the hospital with these complaints With hospitals costs \$150.00 a day one would think that these treatment methods would be preferred, but Blue Shield, the so-called doctor's plan, penalizes Dr Boyd and his patients by paying a small token payment Small wonder our national health costs are out-of-sight and unnecessary Surgery is a must
