

Youth wins Guernsey calf at York-Adams picnic

BY JOYCE BUPP
Staff Correspondent

HELLAM — Nearly 150 dairy cattle enthusiasts gathered last Thursday at Honeycrest Farms, York 11, for the annual picnic of the York-Adams Guernsey breeders association.

Highlight of the evening was the presentation of a registered Guernsey calf to eight-year-old Larry Ampacher, whose face split into an ear-to-ear grin when his name was drawn for the unusual prize. Picnic hosts Cathy and Ellsworth Lehman donated the calf, which will be used as a 4-H project by the youthful winner.

The son of Larry and Georgia Ampacher, York 17, Larry is a third-grader at North Hills Elementary School and in his first year of 4-H club participation.

He's a member of the White Rose Dairy Club and previously owned both a registered Guernsey and a Holstein calf which he'll show for the first time at the August 14 county dairy roundup at the York Fairgrounds.

Activities for the evening event also included a chicken bar-b-que dinner, numerous doorprize giveaways, and the opportunity for members and guests to view the Honeycrest herd.

The Lehmans neat stall barn along Route 30 east houses 86 registered Guernsey milking animals with a rolling herd average

Larry Ampacher's grin attests to how he feels about the Guernsey calf he won, donated by picnic host Ellsworth Lehman, Jr.

of 13,000 pounds of milk and 700 of fat. Two practice classes of judging were held, with association secretary Lee Yost placing the cow and heifer categories.

110-hp 4240

Smooth, dynamic power and plenty of it

A genuine John Deere 6-cylinder diesel engine powers the 4240. It's a 466-cu.-in. naturally aspirated smoothie that pumps out 110 horsepower all day long without pause. But that's just one reason you're going to like this talented performer. Because hand-in-glove with the smooth power is the convenience of 16-speed Quad-Range™ transmission with built-in Hi-Lo. It delivers no-stop shift-on-the-go convenience and it's standard equipment. See us for more details.
