**BRANDS  
ARE IMPORTANT!**

**LOOK FOR OURS  
BEFORE YOU  
BUY ANY  
COMPACT  
DIESEL!**

We may not be the only dealer around here who wants to sell you a compact diesel tractor — but we ARE the only one who offers the FORD BRAND of parts and service backup.

Our parts department is well stocked with genuine FORD replacement parts and we can fill emergency needs from regional parts depots through our direct telephone link.

Our mechanics KNOW Ford equipment and have special tools and training to keep your equipment going.

And there's a lot MORE behind the FORD BRAND to think about when you're considering a new compact diesel tractor — not just one or two horsepower choices — but FIVE — 13 to 30 gross engine horsepower — 2- or 4-wheel drive — WIDE RANGE of implements for mowing, cutting, materials handling, landscaping, soil breaking, soil fitting, cultivating, haying, planting and seeding.

Come in soon — look 'em over — and put YOUR BRAND on a brand new FORD compact diesel tractor.
