WE'RE GROWING BETTER

Rifle club being formed

NORRISTOWN — The Montgomery County 4-H Clubs announce the start of a new 4-H Rifle course for boys and girls ages 12-19 who are interested in learning about rifle shooting and safety.

The course will be held at Art's Rifle Range, 1222 Rudge Pike (in rear of building) in Conshohocken on Sept. 6, 13, 20, 27, starting at 10:30 a.m. Cost is \$1.50 for shooting fee and 50 cents for ammunition per session. The 4-H Rifle project books will be provided free of charge.

Each member must provide his or her own ear protection or individuals can purchase such equipment at a nominal price at the rifle range.

Leader for the course will be Henry Hammersmith of Norristown. Prior membership in 4-H is not a requirement. For more information or to register for the program contact Mr. Hammersmith at 272-2524. If you desire more information on 4-H, call 277-0574.

Good thinking!
 Stop baling,

start feeding haylage the Madison® Nutri-Matic™ way

There are good reasons for you to process medium-moisture haylage in a Madison® Nutri-Matic®. You feed top-quality nutrition and roughage and never handle another hay bale again!

Madison® Nutri-Matic® makes it possible. The oxygen-limiting, bottom-unloading structure feeds out haylage at the touch of a button. You get unmatched Madison quality in every stave, every hoop, the fiberglass roof, the Nutri-Matic bottom unloader—and there's more room for forage.

Call us. Let us help you get more for your money, with the structure and accessories you need. If you need more information, we'll show you why choosing a Madison Nutri-Matic is plain good thinking.

Double capacity, double efficiency

The Gehl 99 forage blower ends silo bottlenecks. Two hopper feed tables throw material into the fan for a fast start. And 12 staggered blades six on each side of the blower fan move silage to the top in a hurry. Stop in and talk to us today.
