

Understanding your dairy herd's mineral needs is as simple as this.

Mineral
Interaction Chart

One mineral decision depends on another.

Planning an effective dairy mineral program cannot be accomplished without a complete knowledge of mineral interactions. That's why more and more dairymen rely on their Wayne® dealer for all their mineral needs.

Plan your mineral program around your roughage program.

The people at Wayne Feeds can simplify mineral planning. Because they're experts in animal nutrition.

And your Wayne dealer will help balance your alfalfa, silage or other roughage with special minerals designed to meet your dairy herd's requirements with P12, P16, P18 and P20 as calcium/phosphorus sources.

Wayne Feeds is your mineral source.

Your Wayne dealer carries a full line of minerals—all fortified with additional vitamins and trace minerals. And compatible with Wayne Feeds' full line of feed products.

For peak production, you need the hard facts on minerals. Let your Wayne dealer make it simple with Wayne dairy minerals.

Allied Mills, Inc.
Chicago, IL 60606

Only your Wayne dealer has it.
