# WE'RE WILLING TO PUT OUR CARDS ON THE TABLE!

The report cards show delivery dates and quantities for various growers. For example, one card shows a delivery of 28,000 chicks on 9/15 to a grower named L.S. Another shows 65,000 chicks delivered on 9/10 to R.D. The cards include columns for delivery dates (Day 1-7) and a total quantity, along with grower signatures and comments.

When we deliver an order of chicks to the grower our interest doesn't stop there. We want a report back to see how good they look after 14 days in the growing house.

Here some "Report Cards" we've received recently. We're rather proud of the "grades" we've been consistently getting. We welcome the chance to be evaluated by your grower.
