J I Case Needs a Few New Dealers

We are looking for enterprising businessmen who understand agricultural equipment retailing "We" being the J I Case Company. Founded in 1842, Case now has over 3,000 dealers world-wide and an unsurpassed reputation for product quality, reliability and current growth.

If you think that the farm equipment business requires involvement with many different product lines, you'll find Case an interesting exception. As a Case Tractor Specialist, you concentrate on one major product line, agricultural tractors and related tillage tools, because Case builds nothing but tractors for the farm market.

Case Dealers sell twelve basic tractors, 43 to 300 horsepower. Five models are under 90 horsepower, four are the exciting new 90 series - 108 to 180 horsepower, and our three big four-wheel drive tractors lead the booming 4WD market.

High potential marketing areas are available now. Profitable Case light construction and outdoor power equipment contracts may also be available. As a Case Tractor Specialist, you would benefit from liberal financing policies, attractive consumer terms and time-proven Case Rental Systems.

Case produce-and policy advantages, when combined with your own aggressive sales and management abilities, will afford you the opportunity to realize an excellent return on your investment.

Are you interested? Please contact **W.M. KIMBROUGH**, Dealer Development Manager, J I Case Company, P O Box 50128, Indianapolis, Indiana 46256, or call collect **(317) 849-4770**.
