WE'RE WILLING TO PUT OUR CARDS ON THE TABLE!

The report cards show delivery data for various growers. Each card includes a table for tracking delivery over 14 days and a section for grower comments and signatures. The cards are for growers L.S., F.M., and J.B.

When we deliver an order of chicks to the grower our interest doesn't stop there. We want a report back to see how good they look after 14 days in the growing house.

Here some "Report Cards" we've received recently. We're rather proud of the "grades" we've been consistently getting. We welcome the chance to be evaluated by your grower.
