TORQUE AMPLIFIER, CLUTCH & WATER PUMP PARTS & SERVICE

Rebuilt TA assemblies for IH tractors from SMTA through 1586. Water pumps, Dyna-Life clutches and pressure plates from A, B, C through 1586 and for many of the combines, 101-303 through the 915

If you are operating a shop or are a farmer who does his own mechanical work, then you will do well to compare the parts which I have to offer. Complete rebuilt TA assemblies for 706 - 1586 are priced from \$525.00 and come with a Dana Co. heavy Duty Sprag clutch instead of the usual IH sprag. These TA units are being installed in many of the leading IH shops across the country instead of the IH units.

Also have available assorted parts for TA's which are not available individually through new parts at IH. I am prepared to do complete installation at competitive prices and will match any guarantee that is offered on TA units or rebuilt clutches, pressure plates & water pumps. I will also install original factory parts on request.

For a no obligation estimate or for information and references write or call me
