CHORE-TIME

October 13, 1980

Dear Customer:

In the past years here at Agri-Equipment, Inc., we have grown due to your patronage. Last year, due to this growth we purchased a building in Leola for warehousing our equipment.

In having our warehouse facilities in Leola and our offices in Farmersville, we found it was very inconvenient for our personnel, suppliers and most of all, you. Due to this inconvenience, we are moving the offices and parts area to our Leola location. Along with this move we will be adding a showroom area where actual equipment will be displayed for your inspection.

While the actual move is taking place at this time, the date we will begin operation from Leola is October 20, 1980. Beginning on this date we will be looking to serve you from Leola.

Sincerely,
AGRI-EQUIPMENT, INC.

Here is our new address and phone number, also a map for ease in finding us.
