# Farm Credit can help you fill your grain storage gap.

What's the easiest way to get money for a grain drying and storage system? Talk to the people who understand why you need it. At Farm Credit we speak your language...and that makes getting any farm loan a whole lot easier.

#### WE'LL HELP WITH LOW RATES

Look around. Check prevailing interest rates. Then check in at your Farm Credit office. If you shop for your grain system loan as carefully as you shop for your grain system...we think you'll see the advantage of a Farm Credit loan.

#### YOUR PAYMENTS WILL FIT YOUR INCOME PATTERN

At Farm Credit, we always try to schedule your payments around your peak income periods. So you pay us when your crops or livestock pay you.

#### LET'S TALK...YOUR PLACE OR OURS

You'll always get prompt attention at your Farm Credit office. And if you're too busy to make the trip in, give us a call. We'll come to you. Most of us were brought up on farms, and we know how tough it is to break loose sometimes. It all comes down to this. Whether you need money for a grain system or any other farm-related need, chances are, Farm Credit can help. Drop by or give us a call. You'll find that we're your kind of people.
