Notice...a good portion of this ad is occupied by a picture of our farm. We want you to know that we're farmers too. This means we understand your problems and see your needs. Hostetter Farm Supply is a father-son operation. Through our own experiences we've established a grain handling facility that eliminates waiting. We accept more grains than other marketers, and we will contract prices now for later delivery. If there are questions or complaints, we handle them personally. There is no board of directors...no "red tape"...just fast service and prompt payment.
