## WANT A HEAVY DUTY SPREADER? SEE BINKLEY & HURST BROS.

**Hydraulically Controlled Endgate**

Hydraulically controlled endgate, available for all Gehl spreaders, fits snugly on the bottom and both sides to seal in semi-fluids. Heavy duty frame lifts and holds endgate out of the way for solid manure spreading. Move it partially up to control the discharge of sloppy material. Endgate allows you to get all the manure to the field, prevents losing part of it on driveways or roads.

**NEW GEHL - KNIGHT MODEL 350**  
In Stock w/Hydraulic Endgate
