

THE FARM AID MIXER FEEDER WAGON HAS PROVEN DEPENDABLE

ON STAR-ROCK FARMS CONESTOGA, PA

JOHN BARLEY

"We bought our Mixer-Wagon in 1975. Since then we have fed between 500-800 cows with it. That's approximately 7,000 tons of feed mixed and fed annually. It's simplicity amazes me — bearings and chains are the only parts needed. Before

we owned the FARM-AID, we wore out two machines in four years feeding fewer cattle. We had to keep two wagons so we had one working. We depend on this FARM-AID for our feeding every day. I don't see how it could give a better mix."
