

Farmers Union

(Continued from Page A1)

Lancaster Farmers' Association also is on record supporting the Millersville farmer's proposal.

Amendments to Act 442 would allow appointment of a local preserve board rather than having a planning commission designate lands for agriculture; would allow a package of farms to be accepted as a district, rather than farm-by-farm approval, and would provide a 25 year review of ag districts with the option to abolish the district after each 25-year period.

In other business, Lancaster Farmers Union is conducting a drive to boost membership by 50 farmers. Cost of a membership is \$40 for two years or \$200 for a lifetime. If the goal is attained members' names will be placed in a hat with the winner of the drawing

getting a paid trip for two to the National Farmers Union convention in Atlanta, Georgia.

The group is counting heavily on its success against the beef referendum in gathering members this year and in fighting the milk referendum.

The Lancaster group named five delegates to the Pennsylvania Farmers Union convention to be held January 19 and 20, 1981 at the Holiday Inn, Grantville.

Chosen were Naomi Spahr, Neffsville, Forney Longenecker, Lititz, James Spahr, Lititz; Abe Witmer, Lititz, and Dan Groff, Lititz. All officers were re-elected for another term of office. They include Longenecker as president, James Spahr as vice president, and Naomi Spahr as secretary-treasurer.

Members of Lancaster County Farmers Union Thursday night chose five delegates to the state convention. From left they include: Naomi Spahr, Neffsville; Forney Longenecker, Lititz; James

Spahr, Lititz; Abe Witmer, Lititz; and Dan Groff, Lititz. The state meeting will be held January 19 and 20 at Grantville.

Pennsylvania Young Farmer spokesman Joyce Hershey, left, talks with Laura Heuser during a "Comebacks to Criticism" media training session at last week's American Agri-Women convention.

Dairymen's Assn. report

CAMP HILL — The Board of Directors of the Pennsylvania Dairymen's Association reported recently on the past year's activities.

The board listed major expenses for buying samples of milk and other dairy products for flavor analysis "Keep It Cool" posters have been placed in all school cafeterias.

Contributions were made to the Penn State Cattle Judging Team, the State 4-H Team, the Computer Foundation of Rations, to research water consumption and to research a milking systems management program.

A total of \$3000 was pledged to the Agricultural Arena Campaign. Financial support was given to the Princess Program, the

Dairy Science Club, DHIA Supervisors Award, Herdsman Awards at Farm Show and the All-American Dairy Show, as well as an extension award.

The group operates the milk house at the Farm Show and pays exhibitors for milk produced at the show.

Major income is derived from the Milk Shake Bar operated at Farm Show in cooperation with the Valley Grange, Lewisberry. More than 40,000 shakes were sold last year.

The annual banquet will be held at 6 30 p m. January 13 at the Penn Harris Motor Inn, Camp Hill. Speaker will be Dr. Lew Mix, of Agway.

Current president is David Roth, Loysville. Dues of \$3 per year can be sent to John Blyholder, secretary, Box 458, Camp Hill, Pa 17011.
