Two Ways To Improve  
Your Profit Picture  
**XL & DK**

Two layers with distinctly different characteristics From two  
separate research programs

You don't have to buy from two different companies to get the two top  
layers on the market

The XL shows excellent production under many management  
conditions The DK responds best to finely tuned, close management

DEKALB Layers are bred to possess the economic traits most  
applicable to your operation You do have a choice The high  
productivity XL or the high efficiency DK
