

Ruth Ann Benedict named to Guernsey staff

LANCASTER — Ruth Ann Benedict, of Waynesboro, Franklin County, has been named to the staff of the Pennsylvania Guernsey Breeders Association, 2497 Lincoln Highway East. Miss Benedict will serve

as Field Representative on the Guernsey Association staff. She began her duties on November 1.

Prior to coming to Lancaster, she served as an Extension Aide in the 4-H program of the Franklin

County Extension Office. She had worked in the Extension post since June, 1979.

In her new position, she will be working with the Guernsey Association's various youth programs and activities, particularly the Pennsylvania Junior Guernsey Breeders group.

Miss Benedict had also served for the past year as Staff Correspondent for Lancaster Farming, covering various agricultural activities throughout the Franklin County area.

A 1977 graduate of Waynesboro Area High

School, she also attended Penn State University.

Miss Benedict grew up on a dairy farm in Waynesboro. Her parents, D. Marion and Mildred Benedict, operate Long Lane Farm, 5413 Manheim Road, Waynesboro. Their operation includes about 100 acres and a milking herd of about 35 Guernseys.

"I'm looking forward to continuing my youth work," Miss Benedict said.

"I enjoy such work, particularly the challenge of expanding such activities with new people throughout the state."

Volumatic® III silage distributor-unloader by JAMESWAY®

Install any time

Another reason why all ring-drive silo unloaders are not alike: Whether your silo is empty, partly empty or full, we can install a Volumatic III silage distributor-unloader. Wide-stance hexapod 3-point suspension installation system lets you replace your present unloader with the ring-drive distributor-unloader others can't match in features or performance. So, why wait?
