### TORQUE AMPLIFIER, CLUTCH & TRANSMISSION PARTS & SERVICE

**TA UNITS GUARANTEED UP TO 2 YEARS.**

Rebuilt TA assemblies available for all IH tractors. New and rebuilt water pumps Dynalife clutches and pressure plates for A, B, C through 1586, also for most models of IH combines

If you are operating a shop or are a farmer who does his own mechanical work, then you will do well to compare the parts which I have to offer. Complete TA assemblies for 706-1586 are priced from \$525 and come with a Dana Co. Heavy Duty Sprag clutch instead of the usual IH sprag. The Dana Sprag is guaranteed for 2 years against failure. Ramps and Carriers for older style TA units are priced \$135 & \$145 respectively, and carry a 90 day guarantee

We have most parts needed for TA repair in stock and are prepared to do complete installation at competitive prices.

Shop is also now available for engine overhauls and other major tractor repairs.  
For a no obligation estimate or for information and references write or call me.

Dealer Inquiries Invited; Parts Shipped UPS, Bus or Air

## Make every bite right.

Combine **Ensilmixer** feed mixer, with scales, and a **Jamesway TMR system.**

You can increase production Reduce feed costs And improve labor efficiency All when you use an Ensilmixer feed mixer, with scales, by Oswalt® to round out your Jamesway Total Mixed Ration (TMR) feeding system (including silage distributor unloaders, conveyors and cattle feeders) Or, use it with any mechanized feeding system Whether you prefer the stationary, trailer mounted or truck mounted model, it's a real profit building management tool

**Precisely weighs ingredients**  
Accurate weighing means consistent, balanced rations, eliminates waste Lets you calculate the amount of feed needed and mix that much Weigh bar system is standard, electronic scales optional

**Unique mixing pattern blends feed thoroughly.** Three augers move feed from front to back and side to side Reverse fighting at both ends lets feed fall freely for recirculation or discharge by the bottom auger Uniformly mixes even partial loads

That's why the Ensilmixer feed mixer, with scales, and TMR feeding system are right for you as well as your cattle And, can help make farming just a little bit better Ask your Jamesway Power Choring dealer

We Have Models In Stock - Available At:
