FARM EQUIPMENT

The Tractor Specialist sells more "up-time"

When the farmer is ready, his tractor had better be. That's one reason a Case dealer franchise makes extra good sense.

As a Case dealer, you're the Tractor Specialist. You sell and service the best in farm tractors. And you are backed by an industry first Assured Availability. It means that, during warranty, if a tractor bought from you isn't ready to go you can offer your customer free use of a replacement. And Case will back you up. Proof that when a Case dealer needs help, we do something about it.

You could be planning a bright future as your area's Tractor Specialist. You could also consider our light construction equipment line. Write or call for full information on the Case dealer franchise.

GUNITE Silo Relining & Repairs

Extensive tests have been conducted on Gunite. Below are some of the properties of Gunite:

- 1 Excellent bonding
- 2 High Density
- 3 Extreme strength and hardness
- 4 High resistance to absorption

The excellent physical properties of the material are due to the water content being only the amount needed to satisfy chemical hydration. Reseal and re-strengthen your silo with Gunite.
