White Heaters offer

**CLEAN,
ECONOMICAL
HEAT FOR
FARMSHOPS**

Solve those odor problems and cut the costs of heating your farmshop with a White Heater

White Heaters are clean burning gas heaters. There are no odors or irritated eyes caused by oil space heaters. You work in complete comfort.

And White Heaters are safe for farmshops like yours. They meet fire and emission standards for ventilated buildings.

With a White Heater you save money in fuel, maintenance and in purchasing.

Compare fuel bills from a White direct-fired heater to other gas heaters. You'll find savings of about 20%.

Maintenance costs are also lower. There are no heat exchangers to clog, no nozzle to foul.

Shop around and compare gas heater prices. You'll be surprised. A White Heater can save you 33% to 50% in price alone.

Come in and see us. We'll show you how to heat clean and save money.
