If you're in pigs or poultry, the Friendly First has a special loan . . . just for you!

The Agricultural Loan Division of the First National Bank of Lancaster County knows that swine and poultry farmers have highly specialized needs. And it's always ready to provide the cash to meet these needs whenever they arise.

Why? Because Bob Badger, the Ag Loan officer at the Friendly First, understands farmers' unique and complex money problems. He will gladly sit down with you and work out a special swine loan or poultry loan package, to cover the cost of sow stalls, a new flock of chicks, a broiler house, a carousel hog feeding system, transporting equipment — you name it!

And best of all, he'll use the Friendly First's flexible payment schedules to make sure you get a loan you can live with comfortably.

So when you need a loan, remember the Friendly First — the best friend a farmer could ask for!

MORE MILK.

MORE PROFIT.

You can realize an extra profit up to \$1.00 a day per cow by feeding Protamone®

It helps lactating cows to reach new peaks and begin their normal decline at higher levels.

FEWER CULLS.

Protamone also helps keep low producing or marginal cows in the string longer, out of the dry pen. With today's cost of replacement cattle, that's especially important.

FREE BOOKLET

Learn how you can increase your milk production and improve profits. Send for our free 12-page booklet. Simply tear out this ad, write your name and address in the margin and mail to Agri-Tech, Inc., 4722 Broadway, K. C., Mo. 64112.
