Mass. livestock firm fined \$500

SOEKONK, MASS. — Alfred Quattrucci & Sons, Inc., Soekonk, Mass., has been assessed \$500 in civil penalties and ordered by the U.S. Department of Agriculture to stop violating requirements of the Packers and Stockyards Act.

The firm, registered with USDA as a dealer to buy and sell livestock, operates in Massachusetts, Rhode Island and Connecticut.

Administrative Law Judge John G. Liebert assessed the civil penalty and ordered the firm to cease and desist from operating without maintaining a reasonable bond to secure its livestock obligations

James L. Smith, P&S

official, said that although the firm has now filed the appropriate bond, the cease and desist order — like a permanent injunction — remains in full force because the firm is still under the order not to violate bonding

requirements. Smith noted the firm consented to the order, waived its right to an oral hearing and neither admitted nor denied the charges in a USDA administrative complaint.

MORE MILK. MORE PROFIT.

You can realize an extra profit up to \$1.00 a day per cow by feeding Protamone®

It helps lactating cows to reach new peaks and begin their normal decline at higher levels.

FEWER CULLS.

Protamone also helps keep low producing or marginal cows in the string longer; out of the dry pen. With today's cost of replacement cattle, that's especially important.
