

New White Utility Tractors pack value into every dollar of your investment.

The new White 43 hp 2-45 and 60 hp 2-62 utility tractors give you wet disc brakes, 4-cylinder diesel engines, tilt steering wheel and 10 working speeds between 1 and 6.2 mph... all as value-packed, standard features.

By nature, your utility tractor is a hardworking investment. That's why White® designed the new 43 hp* 2-45 and 60 hp* 2-62 Field Boss® Tractors with the performance features that will give you more in return for your utility tractor dollar.

Try finding any other utility tractor with planetary final drives, remote hydraulic valve, a 20-speed transmission, tilt steering wheel and independent 540 pto... all standard. You won't.

Look even further at the 2-45 and 2-62, and you'll find integral power steering, Category II 3-point hitch and optional power front axle.

And there are even more features that will pack value into every dollar of your investment... stop by and see.
