**Want superior plowing?
Then see the
International
line-up!**

INTERNATIONAL® MOLDBOARD PLOWS

There's one just right for you. One you can count on for superior performance and for practical economy. Whatever your need, an IH plow will do the job now and for years to come. Many models ideal even for minimum tillage practices. High clearances permit plowing under crop residues without first having to disk or shred, eliminating extra operations. And wide-slab furrows reduce runoff and erosion.

- Complete line of trailing semi-mounted mounted and two-way models
- One to 12-furrow sizes and models with 12 to 22 in cuts
- Huge vertical clearances to keep going in heaviest trash
- Low-draft bottoms and easy adjustments make power go further
- Rugged box-section backbones hold alignment in toughest conditions

WINCO YOUR ONE SOURCE FOR POWER!

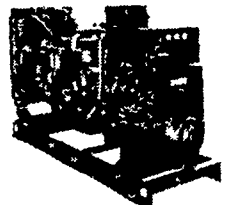

PTO TRACTOR DRIVE

Winco PTO Power Plants come in sizes up to 125 KW continuous duty. The Maxi Watt field coil winding provides the extra capacity to restart a big farm at the busiest time of the day. A special connector, the Octopus, makes power hook up a snap. And our 3 year limited warranty confirms the dependable performance you already expect from our name.
