PICK YOUR OWN PAYMENT

You are the only one who knows how much you can afford to pay per month ... so decide how much cash you want to put down, or estimate the value of your trade-in, and deduct it from the sale price. Then add 6% state sales tax to get your balance to be financed. See the chart below and pick your payment. You can raise it or lower it by adjusting your down payment. Put more down, pay less per month.
