Roll your own profits with a Badger Roller Mill

Rolled grain is better. Whether you're feeding beef, dairy, hogs or poultry, you'll get more from your grain with a Badger Roller Mill. Here's why: Improved palatability and digestibility eliminates digestive disorders of hammered grains producing dust and flour. This also avoids feed waste and respiratory ailments. Provides more gain from less grain and the most energy efficient method of processing all types of feed.

And Badger Roller Mills are versatile units that will fit into your operation for years to come. Their bolted construction will adapt to various installations as your needs change. Kits are available to convert to trailer, skid and other roller mill uses.

Contact your Badger Dealer now. Talk to the man who knows what it takes to get super feed efficiency with a Badger Roller Mill.

**NOW Account or service charges. If it wasn't for Farmers First, I'd have thought those were my only choices.**

Here I am working hard to make ends meet and zap! Along comes the news from my bank that I've got two choices. A NOW Account or a Regular Checking Account with minimum balances and service charges. I said some choice! That's when I saw this Guide to Preference Checking from Farmers First Bank. Farmers First gives people choices. In fact, you can pick from five different checking accounts at Farmers First.

I picked Combination Checking. All I do is keep *either* a \$200 balance in my checking account *or* \$300 in my Farmers First Savings Account. Only if *both* balances fall below the minimum do I get charged \$3.00. And I still earn 5-1/4% interest on my savings.

I found the checking account I prefer by reading this booklet.

The People Bank's Guide to Preference Checking.

Pick up your Guide to Preference Checking at any Farmers First office. Or call 626-4721 Extension 207.

**...so even if you don't bank at Farmers First, read their Guide to Preference Checking.**
