Dauphin County to run tree seedling

HARRISBURG - In observence of Arbor Day, April 25, the Dauphin County Conservation District is conducting its seventh annual tree seeding sale A county agency, the Conservation District was formed in 1952 to protect the county's natural resources

Duayne Forsberg, Resource Specialist with the Conservation District, encourages county residents to take advantage of the seedling sale. According to For-sberg, "planting trees not only provides extra income when planted for timber production, but can also save you heating dollars when utilized for energy conservation.'

Interested individuals should call 652-7073 or write to the Dauphin County Conservation District, Lower Paxton Township Municipal Building, 75 S Houcks Road, Suite 305, Harrisburg, 17109 to request an order form, prices and information

The deadline for orders is April

ash, black walnut, russian olive and scarlet maple) average 20" in height When planted as shade trees, they act as "nature's airconditioner "

Black walnut is the top money making tree due to its beautiful dark wood.

As a fuel source red oak has a rating of 26 million BTU's a cord, and white ask is rated at 23 million BTU's a cord.

White flowering dogwood and russian olive are the choices of bird watchers, since both are well liked by birds for their berries
