

5 Pennsylvania 4-H'ers to attend national conference

HARRISBURG — Five outstanding Pennsylvania 4-H members have been named to attend the National 4-H Conference in Washington, D.C., April 4-10.

Selected to participate are Diane Krause, of R3, Slatington; Charlene Gormley, of R2, Newtown; Shelly Wrisley of R3, Troy; Brian Robinson, of R1, Rochester; and William Hosler, of R2, Port Royal.

"The five were named to attend the event on the basis of their 4-H records and participation in county and state activities," points out Dr. William Lindley, youth program specialist at The Pennsylvania State University.

The conference, with headquarters at the National 4-H Center, is designed to provide meaningful involvement among youth, volunteers, and professional staff in 4-H youth program development at the national level and to strengthen 4-H public

relations efforts and reporting to the public.

The delegates will have an opportunity to concentrate their efforts in consulting groups stressing programs of national concern to youth and sharing examples of innovative 4-H programs.

A special highlight for the Pennsylvania delegation will be a special session with area federal lawmakers.

Several hundred 4-H members from all states, Puerto Rico, and the District of Columbia will take part in the activities.

Diane Krause

Diane, the daughter of Mr. and Mrs. Paul Krause, has been a 4-H member for nine years. She is a senior at Slatington High School.

A member of four Lehigh County 4-H Clubs, she served as president, vice president, secretary, and teen leader.

Diane took part in the County

2 Cyl F2L-912
(New Style)

EASIER STARTING: Heavy flywheel provides easy starting. No electric heater plugs.

QUIETER: Runs quieter than most water cooled diesels. Very quiet exhaust.

F2L-912 SPECS: 22 Hp @ 1500 RPM
27 HP @ 1800 RPM
34 Hp @ 2300 RPM

It has direct injection, lube oil cooling, and oil cooled pistons. This engine has proven to survive the extreme heat of a heavy load in a small engine house better than any other engine.

DEUTZ THE ALTERNATIVE TRACTOR

Disappointed with returns on time and money spent on finding a practical alternative fuel?

TRY THE ALTERNATIVE TRACTOR

Yes, the unmatched fuel economy of the Deutz Air Diesel engine truly makes Deutz the alternative tractor.

ASK FOR A DEMONSTRATION - Measure actual fuel usage on your farm. That will tell you more about Deutz fuel economy than all those official test reports.

PLUS - EconoCool thermostatic cooling system (standard on all new DX tractors with cab) uses an additional 6-8% less fuel than standard Deutz tractors.

PLUS - Deutz 4-wheel drive delivers up to 40% fuel savings over 2-wheel drive in comparable field work.

PLUS - Stauffers expert service by factory trained mechanics and fast parts service makes Deutz an even better investment.

Call Harold Stauffer for Deutz tractors in 9 sizes; 45, 52, 61, 68, 84, 110, 125, 135 and 145 Hp.
