basis; (3) learn to use the marketing system for all commodities; and (4) be willing to contract all your production

"The National Farmers Organization has the transportation and the nationwide system to move your grain to seaports or to contract with U S or

foreign buyers. NFO takes no title to any production," said Utley

"Markets need to be "fed", so our grain needs to be moving all the time We need to be ready to sell in the earlier part of the price rise U.S.D.A figures show that most producers do not sell on a

Lancaster Watershed Assoc. to meet

LANCASTER — The Lancaster County Conservation District and the Conestoga Valley Watershed Association are co-sponsoring a meeting scheduled for March 18 at the Farm and Home Center

The meeting, which is scheduled to begin at 7:30 p.m. has been called for all members of Lancaster County Watershed Associations, and all individuals interested in forming watersheds

in home communities, for the purpose of increasing communications, and discussing past and future accomplishments and goals.

The possibilities of new watershed associations being formed will be discussed, also. Presently, there are watershed associations organized for Cocalico, Chuckes, Octorara, and Martic Hills watersheds

rising market 10% sell as the prices start to drop and 90% of sales are made in the lowest 30% of the drop, as they become frightened by the loss Buyers do not get much grain until prices start to drop."

Utley invited those present at the seminar to consider marketing their production with N.F.O.,

thereby helping to change the present marketing system and benefiting producers, buyers and consumers and insuring the future of the family farm

Bill Garges, President of the

Bucks County Unit of N.F.O., has planned a meeting of all interested producers at his home, Bristol Rd., Warrington, on Wednesday, March 25 at 8 p.m. For more information call Bill at 215/348-5514.
