

Introducing
a guaranteed fixed-rate
loan for farmers.

The Crop Builder

It's the American Bank advantage.

American Bank has been committed to helping farmers since the turn of the century. Because of our close association, we are aware that 1980 was a very bad year for you. So we're making a special limited 4-week offer of a fixed-rate Crop Builder Loan. This loan can be used to finance the growing of field crops for later sale or for use on the farm as feed.

The advantages of our Crop Builder Loan are many. Once your loan has been approved, you'll be assured of getting the money you need,

when you need it. And since the rate is fixed, you won't have to worry about the volatility of floating interest rates. This will help you in determining the cost of producing a crop and will reduce your risk in the crop investment.

The Crop Builder Loan is available to all farmers who are eligible. You don't presently have to be an American Bank customer. To take advantage of this offer, contact Gene Richard or Bill Hughes in our Agri-business Department at (215) 375-5993.

Commitment to farmers. It's the American Bank advantage.

Good bankers. Good neighbors.
