 THE MONTH OF APRIL**

Simply tough

**This tough
 disk gang
 bearing
 carries a
 2-year
 warranty**

It passes John Deere's tests — and we bet it passes yours. John Deere 200 and 300 Series Disks feature exclusive Dura-Flex™ gang bearings with 4-lip seals. Three extra-long, flexible lips resist wear, yet maintain contact with the inner race of the bearing. The fourth seal also keeps grease in, dirt out — and works with the extended flange or cast housing to give the bearing room to self-align.

Tough gang bearings with a 2-year warranty — proved tough. Put these bearings to your test on any of six new models of John Deere Disks.
