

Poultrymen to celebrate May as Egg Month

LANCASTER — The Pennsylvania egg industry will be officially celebrating "May is Egg Month" on Friday, May 8, 1981, at the Sheraton-Conestoga in Lancaster.

The evening affair beginning with a social hour at 6 p.m. followed by dinner at 7 p.m. is open to everyone interested in the welfare of the industry.

The Pennsylvania Egg

Marketing Association is serving as host and has made all the arrangements for this social evening. Guests will be given a souvenir copy of Governor Thornburgh's official proclamation of May is Egg Month.

Featured speaker for the evening will be Congressman Bob Walker. Prior to Congressman Walker's presentation, guests and

wives will hear first hand about the promotional activities to be conducted during May in Pennsylvania.

Pennsylvania Egg Marketing president Galen Buckwalter, commented that the occasion is one in which the group hopes to see a large turnout as we join together to pay tribute to our product.

The charge for the evening will be limited to \$12 per person, the

actual cost of the meal. All other costs will be paid by the Pennsylvania Egg Marketing Association, Pennsylvania Poultry Federation, and Ralston-Purina Company will be sponsoring the social hour.

All those interested in attending must make an advance reservation by Monday, May 4, 1981.

Advance reservations can be made by mail by notifying Edward

J. Lawless, 4210-A Sussex Drive, Colonial Park, Harrisburg, PA 17109 or calling the Pennsylvania Poultry Federation in Harrisburg at 717-652-7530.

Meet your American Banker.

Your American Bankers William Hughes, Gene Richard

The best hired hand you're likely to shake.

At American Bank, our people go right to work for you. Because they're the finest crop of Agri-Business bankers around. What makes them so special is how often they're out in the field serving you—discussing concerns, understanding needs and providing solutions. Each has a farming background so, when they come out to see you, they speak your language.

Since the turn of the century, American Bank has had a special kinship with farmers and their land. Over the years we've kept pace with their needs with loans for livestock, new equipment, construction and remodel-

ing. As times and needs changed, we helped with lines of credit and operating capital. Today, we're still maintaining that pace with additional financial services like trusts, retirement and estate planning, and savings and checking accounts.

We're proud of our Agri-Business people and their farming heritage, but even more proud of the way their banking ideas are helping you. If you'd like an American Banker to give you a hand, just call (215) 375-5993. You'll get a fair shake.
