

# Wayne<sup>®</sup> Calf Program. Top heifer calves in 4 months!

The Wayne Calf Program is designed to condition a dairy calf for breeding at a younger age. After four days of colostrum, it starts with Wayne Calfnip<sup>®</sup>, a medicated milk replacer costing about half the value of whole milk, and Wayne Calf Krunch<sup>®</sup>, a complete feed. You may also use Dairy Calf Grower Pellets<sup>®</sup>, Calf Supplement<sup>®</sup>, Sweet Bulky<sup>®</sup>, and Wayne Calf Health Aids.

We'll help you with a program that will get your calves to recommended body weight, economically, at four months so you can look forward to higher quality herd-replacement heifers. See us about the Wayne Calf Program.

## PARTICIPATING DEALERS

**BATZ FEED & SUPPLY**  
R1 Richland, PA 17087 717-933-8168

**BRANDT'S MILL**  
830 Maple Street
