MARLIN SCHREFFLER

Pitman, PA 717-648-1120

FARMERS

YOU BE THE JUDGE

The giant round baler represents the fastest, most efficient method of harvesting hay in the field today. Why? Because it's a one-man system. Lets you harvest, transport and feed more hay per day from your tractor seat than a whole crew of workers with conventional equipment.

- Bales a tight weather resistant hay package.
- Bale up to 18 tons per hour by yourself!
