**8440 and 8640  
4-Wheel-Drives**

**Test-drive one to  
feel heavy-duty power  
and easy-duty comfort**

You have to get behind the wheel to really appreciate the features of the 8440 and 8640 4-Wheel-Drive Tractors from John Deere. Take a trip around the lot to get the feel of Hydra-Cushioned™ seat suspension specially adapted for 4-wheel drive. Shift gears a few times to notice the simplicity and smoothness of single-lever control for Quad-Range™ transmission. Study the indicator panel of Investigator™ multifunction warning system. Sit back and relax in the quiet built into exclusive Sound-Gard® body. Put them all together and you have true easy-duty comfort. Heavy-duty power won't be so obvious. You'll have to run up a lot of hours of really heavy work to appreciate that. See us for a test drive and full details.
