

Kid's KOrner

From colt to mare...

Have you hugged your horse today?

Turn colt into mare by changing only one letter at a time

COLT

to shed hair, feathers, shell, etc. periodically
a congenital spot on the body
opposite of male
a fully-grown female horse

mare
male
mole
molt

This week we have a, gooey, yummy, chocolatey recipe for you to try. Try it for supper tonight.

CARAMEL LAYER CHOCOLATE SQUARES

- 1 bag of Kraft Caramels
- 2/3 c. evaporated milk
- 1 box of German chocolate cake mix
- 3/4 cup melted butter
- 1 cup chopped nuts
- 1 6 ounce bag of chocolate chips

Melt caramels and 1/3 cup evaporated milk in double boiler. Mix cake mix, butter, 1/3 cup milk and nuts together. Put 1/2 of mixture in greased and floured glass sheet pan. Reserve half for top. Bake at 375 degrees for 6 minutes. Remove from oven and sprinkle chocolate chips and caramel mixture on top of chips. Crumble remaining dough on top. Return to oven for 8 minutes. When cool, cut into squares and serve.

Visitors at the Windemere farm in Spring Mills hugged this little colt as it slept. They don't throw your arms around, because a fully-grown horse is a pet you just seem to agree that you better hug them now.

COLOR THIS!

- | | |
|-----------|---------------|
| 1. PINK | 6. ORANGE |
| 2. RED | 7. GREEN |
| 3. YELLOW | 8. LT BROWN |
| 4. PEACH | 9. LT BLUE |
| 5. BROWN | 10. LT. GREEN |

ROSES ARE ONE OF OUR BEST LIKED FLOWERS. ALL FLOWER SHOPS HAVE ROSES. THEY CAN BE RAISED BY ALL OF US IN OUR GARDENS AND YARDS. THERE ARE MANY KINDS AND COLORS OF ROSES SOME CLIMB UP TRELLISES, OVER FENCES AND WALLS. ALL ROSES BELONG TO THE FAMILY OF PLANTS CALLED THE ROSE FAMILY. APPLES, PEARS AND PEACHES BELONG TO THIS FAMILY. 4-23-81

Baltimore County agent retires

BALTIMORE, Md. — Thirty years ago a young man, fresh out of the University of Maryland with a degree in Agricultural Extension, joined the crew in the Extension Department of Baltimore County, Maryland as an Assistant County Agent for 4-H and youth.

Now W. Max Buckel will round-out his position as an Extension agent the end of June as he retires from the capacity of advising people of all ages in a county of nearly a million people.

To honor Max and his wife, Bee, a retirement dinner will be given on Friday, June 26, in the new Exhibition Hall on the Maryland State Fairgrounds, Timonium, Maryland at 7 p.m. A donation of \$12 per person will cover the meal and the presentation of a gift.

Friends and co-workers in Maryland and in neighboring states are invited to be a part of the termination of the career of the friend and advisor of many.

William Max Buckel was born in Bittinger, Garrett County, Maryland, the son of Mr. and Mrs. W.E. Buckel, one of eleven children. His introduction to 4-H began about 1936 at the age of 11 with projects in dairy and poultry. At the youthful age of 16, Max was graduated from High School.

Following graduation he worked at a steel mill in Baltimore for three years until he was old enough to join the Navy where he served three years. In 1951 he graduated from the University of Maryland and that same year became an Assistant County Agent with the Baltimore County 4-H program.

After a sabbatical at Michigan State University in 1958, he

resumed his duties in Baltimore County as Associate County Agent in Agriculture with a newly acquired masters degree in Agriculture Extension. That same July, he was named County Agent upon the retirement of Horace B. Derrick.

Buckel was named Extension Supervisor for Western and Central Maryland Districts and was transferred to offices in College Park in 1964.

He was welcomed back to Baltimore County with open arms in 1970 and assumed the position he had vacated in 1964. In 1974 he was named County Chairman of the Extension Service in the county, a position he holds to this day.

Max and his wife, the former Bee Jones, are the parents of three daughters: Kendra (Mrs. John H. Wells), is an Extension Agent 4-H & Youth in Montgomery County; Kerry (Mrs. Brooke Greer) and Kristin, a student at the University of Maryland, College Park.

Berks 4-H plans events

The Berks 4-H Beef Club met recently at Carol and Michael Strause's home in Hamburg.

At the meeting, plans for the Spring Show were finalized. It will be held Saturday, May 23 at 10 a.m. at the Reading Fairgrounds Cattle Barn.

After the show, all steers will be

freeze-branded, wormed and implanted.

The club president, Darlene Dietrich, told members about 4-H Leadership Congress to be held at Penn State University on June 22-June 25. She encouraged all members over 13 years of age to attend.

After the meeting, there was a clipping demonstration by Michael Strause, and Kemanne Rarick.

The next regular meeting will be held on June 24.
