BOLD NEW BREED OF ROUND BALERS

Hesston Force-Feed
Open-Throat gets the bale rolling...
for sure starts, easy operation.

5580 Rounder® 5540 Rounder®

New concept Hesston Rounder Models 5580, 5540 feature patented open-throat and exclusive vertical bale chamber for sure starts and outstanding bale appearance.

- Wide Kleen-Sweep pickup force-feeds hay directly into the open throat for fast starts.
- Special sizing rollers reduce size of the vertical bale chamber to create a compact core-forming pocket. Requires less hay to get bale core rolling.
- Closely-spaced, spring-tensioned forming belts move outward as bale grows... create a tightly packed bale, layer after layer.

Rounder is a registered trademark of Hesston Corporation
