

## Angus photo contest deadline is July 31

Lancaster Farming, Saturday, May 16, 1981—A27

ST. JOSEPH, Mo. — Camera enthusiasts have only until July 31 to enter the national Angus Four Seasons Photo Contest, which offers more than \$2,000 in prize money, reports Keith Evans, director of communications and public relations for the American Angus Association.

The contest is being sponsored jointly by the Association and the Angus Journal magazine.

"Through this contest we hope to

encourage everyone who loves to take pictures to capture the beauty of Angus cattle, in their natural setting, in as many of the four seasons as possible," said Ann Gooding, Angus Journal editor.

Winning color photo, if suitable for cropping to a vertical magazine format, will be run on the cover of the Angus Journal.

First prize in both the black and white and color divisions is \$300, with \$225 for second, \$150 for third, \$75 for fourth and \$50 for all photos

that, in the opinion of the judges, qualify for honorable mention.

Photographs may have been taken at any time in the past few years, but they must not have been previously published. In the color division both color transparencies and high quality 5x7 photos mounted on cardboard (accompanied by the original negative) may be entered. They must have been taken by a 35mm or larger format camera.

Black and white entries must be a mounted 5x7 print or larger, accompanied by the negative and taken with a 35mm or larger format camera.

For complete information and official contest entry blanks, write or telephone the American Angus Association, 3201 Frederick, St. Joseph, Missouri 64501, 816/233-3101.

## Meet your American Banker.

Your American Bankers: William Hughes, Gene Richard

## The best hired hand you're likely to shake.

At American Bank, our people go right to work for you. Because they're the finest crop of Agri-Business bankers around. What makes them so special is how often they're out in the field serving you—discussing concerns, understanding needs and providing solutions. Each has a farming background so, when they come out to see you, they speak your language.

Since the turn of the century, American Bank has had a special kinship with farmers and their land. Over the years we've kept pace with their needs with loans for livestock, new equipment, construction and remodel-

ing. As times and needs changed, we helped with lines of credit and operating capital. Today, we're still maintaining that pace with additional financial services like trusts, retirement and estate planning, and savings and checking accounts.

We're proud of our Agri-Business people and their farming heritage, but even more proud of the way their banking ideas are helping you. If you'd like an American Banker to give you a hand, just call (215) 375-5993. You'll get a fair shake.

Good bankers. Good neighbors.
